

# Toronto EN staynu

Hochwertiges skai® Polstermaterial für viele Anwendungen, vor allem im Objektbereich. Seine klassische Lederprägung wertet Möbel und Wände auf. Dank innovativer Finishierung mit der skai® staynu Technologie ist das Material hoch fleckunempfindlich und sehr reinigungsfreundlich. So bleibt seine Optik über lange Zeit in Bestform – egal was passiert.

High-quality skai® upholstery material for many applications, especially in the contract area. Its classic leather grain enhances furniture and walls. Thanks to innovative finishing with skai® staynu technology, the material is highly stain-resistant and very easy to clean. This keeps its visual appearance in top form for a long time – no matter what happens.

Material de tapicería de alta calidad de skai® para diversas aplicaciones, especialmente en el sector de las áreas públicas. Su grano de cuero clásico realza el mobiliario y las paredes. Gracias al innovador acabado con la tecnología skai® staynu, el material es muy resistente a las manchas y muy fácil de limpiar. Esto mantiene su aspecto visual como el primer día durante mucho tiempo, sin importar lo que pase.
